Dear Mr. Stephen J. Crothers,

I have received the decision from the Editor on your manuscript, IJTP1960 "Point-Mass Singularities, Energy and the Two-Body Problem in Einstein's Gravitational Field"

We thank you for your kind offer to let us publish your manuscript, but regret to inform you that we have decided not to accept your offer. The paper did not undergo technical review and is not being declined for any technical error. We wish you every success in finding an alternative place of publication.

With best regards,

International Journal of Theoretical Physics
H. Saller
Editor in Chief

Dear Prof. Saller,

Please advise as to why my paper has been declined.

Yours faithfully,
Stephen J. Crothers.

Dear Mr. Stephen J. Crothers,

I have received the decision from the Editor on your manuscript, IJTP1962 "Concerning Radii in Einstein's Gravitational Field"

We thank you for your kind offer to let us publish your manuscript, but regret to inform you that we have decided not to accept your offer. The paper did not undergo technical review and is not being declined for any technical error. We wish you every success in finding an alternative place of publication.

With best regards,

International Journal of Theoretical Physics
